Object: addendum D (Justification for Indirect Costs and Overheads) – Grant Proposal 2011

This is to certify that the *Indirect Cost Rate* required by the Research Unit (Department) - in accordance with the *Indirect Cost Policy* of the *University of Milan* – is devised by every Department, according to the needs of every project.

The calculation is made considering the following items:

- General costs within the structure (mail, phone, stationery, etc.);
- Work environment (cleaning, heating, energy, etc.);
- Insurances;
- Depreciation;
- Maintenance.

The Overheads rate is **10%** in order to cover the general administrative expenses of the *University of Milan*.

Yours faithfully
The Rector
Prof. Enrico Decleva
